First of all, thank you very much for coming to the event. It was my very first event as organiser/planner/controller and that meant finishing the work 5 minutes before the start. Registration started at that moment and people had to wait a good while to get registered. Luckily the weather was good :) This event wouldn't have happened without the help of Jose. Setting out controls, banners, printing control descriptions, drawing master maps... He did very good job and I'm very grateful. I also must thank my wife Begonia who fixed the maps together very late on Friday night for the Orange and Green courses. I had a few nice comments about her work :) We had a good turn out; 51 keen orienteers which I hope enjoyed the courses. I couldn't get hold of a printer for the event so I thought it would be nice to publish the splits together with the finish times (very hard work...).

I hope I have written down the names correctly. I'm not very good at English names and some of the hand writing was kind of difficult to understand :)
Special mention to Harrison McCartney (M10) who finished 4th on the Green course with an impressive 00:45:20 and to Lucy who came on tandem and answered NO! to the question "Did you travel alone?" on the Registration Card. I had a good laugh today when writing the results.
Anyway, thanks a lot again and I hope to see you all soon.
Sergio
